

LINCOLN TROJANS

QUARTERBACK CLUB

2016 Membership Club Pledge Campaign

Attention Parents and Family Members:

The Lincoln Quarterback Club is kicking off its 2016 Membership Pledge Campaign. In Leon County, high school football is the only sport that does not receive any funding from our school district. We rely solely on ticket sales and fundraising efforts. The monies raised through the Membership Campaign help fund some of the football programs significant expenses, such as:

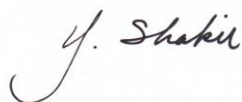

- Bus transportation to away games
- Pre-game meals for the Varsity and JV teams
- Post-game meals for away games
- “Pig-Outs”, which are meals provided after a win to the players and coaches the following Thursday after practice
- Purchase of Spirit Packs (athletic clothing) for the players
- End of the year banquet, and much more!

The Lincoln Trojan football program would not function without the continued financial support of parents like you and the generosity of our business community. We strongly encourage all player parents (both varsity and junior varsity) to become active members of the Lincoln High Quarterback Club (501.c3). Our 2016 goal is to raise at least \$130,000.00 and have 100% participation from player’s family members which will allow the Lincoln Trojan Football Program to continue to operate in excellence.

To that end, it is important that all Trojan Parents understand that participation in Lincoln Trojan Football Program is strictly voluntary but does come with a personal commitment. Unlike the national trend to institute a “player participation fee” to offset increasing program costs, the Lincoln Trojan Football Program continues to believe that parents and players will “step up their game” to support our program. We ask that you look at each pledge level outlined on the following pages to determine which level best suits your business or your family’s ability to support Lincoln Trojan Football.

Your continued financial support is critical to ensure that the Lincoln High School Football Program continues its long-standing tradition of excellence.

Best regards,

Coach Yusuf Shakir

We fully understand and appreciate the fact that today's active family is constantly on the go and that as parents, we oftentimes do not have the time or money to devote to extra-curricular activities such as fundraising. As such, we have created an "Opt-Out" option that will allow parents to pay a one-time fee that covers the minimum amount for all fundraising events. Please keep in mind that while membership in the Lincoln High Trojan Quarterback Club does cover a large percentage of our overall operating costs, there is so much more to becoming a member. Our club motto is, "If everyone does a little, no one has to do a lot!" Will you join us?
